"TOGETHER, WE MAKE IT HAPPEN!"

Danny McEaddy, Vice Principal

March 2018 Edition

On February 14th, the staff and students of grades K-5 celebrated its 100th day of school. This event included STEM activities, games, food, and music. Thank you to all of those who participated in this school-event.

## March events

3/1: Green Eggs and Ham Day– Wear Green

3/9: End of Marking Period 4

3/14: Grades Published on Gradelink

3/15: Honor Roll Pizza Party– 1pm

3/16: Noon dismissal– Parent Conferences

3/27-3/30: Spring Break

## ***The new and improved shift to small group instruction and unit planning at 4th street...***

### **Mr. McEaddy– Vice Principal**

*It is evident that education is the paramount and instilling this value to every child is the key. In an effort to continually keep our scholars 100% engaged our approach at 4th street is to ensure that all K-5 teachers are implementing guided reading, guided math and interactive centers during the ELA and Math block. Our 6-8 middle school teachers will now begin bi-weekly unit plans with the notion of backwards planning. This will allow educators to begin creating the assessments based on state standards and plan instruction according to the results from the Star ELA and Math benchmark assessments along with our scope and sequence curriculum map.*

*Recess will begin on Monday, March 5th for all grades at 4th street . Parents, please encourage your child to play safely or they will not be allowed to participate in outdoor recess.*

# recess!

**Character Trait for the month of March is "Ambitious"**

**Ambicioso (Spanish) , Ambitieux (French)**

*A person with ambition has a dream of moving up in this world!*

## **Box Tops for Education**

During the 2017-2018 school year, we are going to collect Box Tops for Education. Our goal this year is to raise \$500. Please help support the students of Lab by sending in your Box Tops. Box Tops are dated; please check to make sure they are not expired.
